CLASS DESCRIPTION

Pilates – This class features classical Pilates exercises with and without equipment on the Mat. The variety strengthens your core, improves posture, increases flexibility and strength and brings equilibrium to your mind and body.

Morning Meltdown - A heart pounding hybrid of suspension training, kettlebells and intervals to build a total body strength and cardio endurance.

Power Sculpt /Power Mix/Cardio Pump- A challenging workout using weights and cardio bursts to increase muscular strength and endurance. You will be sure to get stronger with this class as well as get your sweat on!

Power Pump/ 40/20 – A challenging workout using a variety of weights to increase muscle strength and endurance. It begins with upper body for 20 minutes, transitions to lower body for 20 minutes and finishes with abs. Instructors will vary the workout.

Spinning Classes – An indoor cycling workout where all fitness levels are welcome! Adjust your pace and resistance to fit your fitness goals.

Yoga- A class designed to improve the health, performance, and mental acuity of athletes or individuals interested in improving their level of fitness.

Pound -Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out.

Sunrise Yoga- A gentle Yoga. Focusing on stretching, reconnecting through body and breath, regaining a sense of calmness.

ZUMBA- Come and try this motivating, high energy class! All levels are welcome in this Latin-based choreographed aerobic dance class. There is no dance experience needed, just have fun!

Senior Fitness SS- Free for all Silver Sneakers members and only \$3 for everyone else. This class is functional training ranging from balance to strength!

Senior PWR! - Join a licensed physical therapist for a FUN, dynamic skill training program. This class uses functional exercise training that promotes essential movements, flexibility, balance and strength to keep you moving easily, safely and with more energy. All activities can be modified for any level of fitness.

30/30- A high energy total body workout!! An incredible combination of a fat torching spin class and full body sculpting. Spend a hard 10 minutes on the bike for an excellent cardiovascular workout and follow it up with dumbbell work to strengthen the body then REPEAT! Total class is 1 hour.
