NOTE\* ALL classes are subject to cancellation due to low participation numbers and are subject to change in class format, instructor, and class time as needed

## CLASS DESCRIPTION

**2TheMax** – A total body 60 minute strength workout with bursts of high intensity cardio that will push your heart rate to the max.

**Pilates** – This class features classical Pilates exercises with and without equipment on the Mat. The variety strengthens your core, improves posture, increases flexibility and strength and brings equilibrium to your mind and body.

**Morning Meltdown** - A heart pounding hybrid of suspension training, kettlebells and intervals to build a total body strength and cardio endurance.

**Power Sculpt /Power Mix**- A challenging workout using weights and cardio bursts to increase muscular strength and endurance. You will be sure to get stronger with this class as well as get your sweat on!

**Power Pump** – A challenging workout using a variety of weights to increase muscle strength and endurance. It begins with upper body for 20 minutes, transitions to lower body for 20 minutes and finishes with abs. Instructors will vary the workout.

**Spinning Classes** – An indoor cycling workout where all fitness levels are welcome! Adjust your pace and resistance to fit your fitness goals. See separate schedule for more details on individual classes being offered.

**Step Pump** – A workout that combines aerobic conditioning on the stepper and muscle-strengthening exercises that tone and define your body.

**Turbo Kick** - "cardio kickboxing and body-sculpting dance moves choreographed to the hottest music mixes. In simple terms, it is a party in an hour!

**Yoga** – A series of postures and breathing exercises practiced to achieve control of the body, mind and tranquility.

**ZUMBA/ZUMBA TONING** – Come and try this motivating, high energy class! All levels are welcome in this Latin-based choreographed aerobic dance class. There is no dance experience needed, just have fun!

**Senior PWR!** - Join a licensed physical therapist for a FUN, dynamic skill training program. This class uses functional exercise training that promotes essential movements, flexibility, balance and strength to keep you moving easily, safely and with more energy. All activities can be modified for any level of fitness.

# Easter Spinning

The SportsZone will be closed, Sunday April 16th for Easter. BUT that doesn't mean you can't come in and get your workout in early! Kelly will be teaching a 90 minute Easter Spin on Saturday, April 15th at 7:30am. If you want to participate, you must pay AND sign up a head of time. Sign up will begin 1 week from the event, Saturday, April 8th.
