## CLASS DESCRIPTION

**Grit Strength** – A total body 50 minute workout that utilizes equipment that you see in the gym...but never use! It is a fun, new twist for exercises. No dumbbells are used at all in class!

**Pilates** – This class features classical Pilates exercises with and without equipment on the Mat. The variety strengthens your core, improves posture, increases flexibility and strength and brings equilibrium to your mind and body.

**Morning Meltdown** - A heart pounding hybrid of suspension training, kettlebells and intervals to build a total body strength and cardio endurance.

**Power Sculpt / Power Mix** - A challenging workout using weights and cardio bursts to increase muscular strength and endurance. You will be sure to get stronger with this class as well as get your sweat on!

**Power Pump** – A challenging workout using a variety of weights to increase muscle strength and endurance. It begins with upper body for 20 minutes, transitions to lower body for 20 minutes and finishes with abs. Instructors will vary the workout.

**Spinning Classes** – An indoor cycling workout where all fitness levels are welcome! Adjust your pace and resistance to fit your fitness goals. See separate schedule for more details on individual classes being offered.

**Step Pump** – A workout that combines aerobic conditioning on the stepper and muscle-strengthening exercises that tone and define your body.

**Yoga** – A series of postures and breathing exercises practiced to achieve control of the body, mind and tranquility.

**ZUMBA/ZUMBA TONING** – Come and try this motivating, high energy class! All levels are welcome in this Latin-based choreographed aerobic dance class. There is no dance experience needed, just have fun!

**Senior PWR!** - Join a licensed physical therapist for a FUN, dynamic skill training program. This class uses functional exercise training that promotes essential movements, flexibility, balance and strength to keep you moving easily, safely and with more energy. All activities can be modified for any level of fitness.

**Buns, Guns & Gutts** - A strength training class that focuses on all of the good parts! Dumbbells and body weight exercises are utilized in this class as well!

**Kettle Fusion** - Class that utilizes only Kettlebells and TRX with a splash of body weight exercises in it

**Kickboxing** - Take out all of that anger that has been building up for the week in our AWESOME Kickboxing class. This class utilizes the bags, hand held punching bags as well as dumbbells.
