**CLASS
DESCRIPTION**

Pilates – This class features classical Pilates exercises with and without equipment on the Mat. The variety strengthens your core, improves posture, increases flexibility and strength and brings equilibrium to your mind and body.

Spin & Sculpt– A music based workout that will have every part of your body movin' and grovin' to the beat! Challenging tempo rides with a mix of hills, sprints and light weights! (All exercises will be performed on the bike. 45min Class)

Pump– A challenging 45 min workout using a variety of weights & Cardio (depending on Instructor) to increase muscle strength and endurance.

Spin – An indoor cycling workout where all fitness levels are welcome! Adjust your pace and resistance to fit your fitness goals. (45m unless listed otherwise)

Yoga- A class designed to improve the health, performance, and mental acuity of athletes or individuals interested in improving their level of fitness.

ZUMBA/Dance Fitness– Come and try this motivating, high energy class! All levels are welcome in this Latin-based choreographed aerobic dance class. There is no dance experience needed, just have fun!

Senior Fitness SS– Free for all Silver Sneakers members and only \$3 for everyone else. This class is functional training ranging from balance to strength!

HIIT & Mobility- This High Intensity Interval Training (HIIT) class includes an additional focus on mobility: quick, intense bursts of exercise are followed by short, sometimes active, recovery periods with stability centered movements.
