**CLASS
DESCRIPTION**

Pilates – This class features classical Pilates exercises with and without equipment on the Mat. The variety strengthens your core, improves posture, increases flexibility and strength and brings equilibrium to your mind and body.

30/30- A challenging workout that entails 30m of Spinning and 30m of Strength Training (off the bike) This workout is for everyone, even if Spinning isn't your preferred cup of tea!

Pump– A challenging 45 min workout using a variety of weights & Cardio (depending on Instructor) to increase muscle strength and endurance.

Spinning Classes – An indoor cycling workout where all fitness levels are welcome! Adjust your pace and resistance to fit your fitness goals. (45m unless listed otherwise)

Yoga- A class designed to improve the health, performance, and mental acuity of athletes or individuals interested in improving their level of fitness.

ZUMBA/Dance Fitness– Come and try this motivating, high energy class! All levels are welcome in this Latin-based choreographed aerobic dance class. There is no dance experience needed, just have fun!

Senior Fitness SS– Free for all Silver Sneakers members and only \$3 for everyone else. This class is functional training ranging from balance to strength!

PPL Strength- PUSH PULL LEGS! One of the most popular workouts. Focus on training specific muscle groups together helping gain a higher strength performance and muscle recovery!

HIIT & Mobility- This High Intensity Interval Training (HIIT) class includes an additional focus on mobility: quick, intense bursts of exercise are followed by short, sometimes active, recovery periods with stability centered movements.
